Introduction to stakeholder and  
citizen engagement

Sharing experiences of stakeholder  
and citizen engagement

Mission Project Spotlight - AGORA:  
Enhance awareness of climate  
change information

Q&A

Closing remarks

### **JOIN US**

In this event, participants will gain a deeper understanding of citizen engagement and communication strategies for the entire adaptation process. Having this strategy in place from the start of the process can lead to more ambitious and transformative climate change planning and implementation, including behavioural change in local communities.
